

Gaelcholáiste Charraig Uí Leighin School Uniform Policy

1. General

1.1 Scope: This policy applies to all students of Gaelcholáiste Charraig Uí Leighin.

1.2 Relationship to the school's characteristic spirit: Our school uniform identifies each student as a pupil of Gaelcholáiste Charraig Uí Leighin. It is a fundamental aspect of the school identity. We expect each pupil to wear the school uniform with dignity and pride and to be aware that, when in uniform, (s)he represents not just themselves, but the whole school community. Gaelcholáiste Charraig Uí Leighin is a multi-denominational all-Irish speaking school under the patronage of Cork Education and Training Board. We aim to provide a secure, welcoming and ordered environment in which each individual is encouraged and challenged to develop to their full potential academically, socially, personally and morally and to respect both themselves and others.

1.3 Context: This policy has been devised following consultation with all members of the school community and in keeping with the school's ethos. It should be read in conjunction with the school's Health and Safety Policy, Pupil Management Policy, Schools Tour Policy and Anti-Bullying Policy. Gaelcholáiste Charraig Uí Leighin encourages the pursuit of excellence and strives to create an environment conducive to the highest standards of achievement. The school uniform is highly symbolic of our expectations of excellence. It reinforces a sense of pride among students in their school especially when representing the school on sporting or extra-curricular activities and during school events and activities.

1.4 Rationale: Teaching and learning is supported as students work in comfortable, safe and suitable attire. At Gaelcholáiste Charraig Uí Leighin, we believe school uniform is essential to the ethos of our school community. It plays a valuable role in setting an appropriate tone, instilling pride in the school, supporting positive behaviour and discipline, ensuring pupils of all races and backgrounds feel welcome, protecting children from social pressures to dress in a particular way, eliminating unnecessary expense for families, nurturing cohesion and promoting good relations among pupils. This in turn supports the highest standards of teaching and learning.

Our school uniform, which has been designed by our first group of pupils and their parents, symbolises our learning community. It reflects our pride in our school, and therefore is kept in excellent condition at all times.

Gaelcholáiste Charraig Uí Leighin endeavours to ensure that the school uniform policy is fair and reasonable in practical and financial terms.

Gaelcholáiste Charraig Uí Leighin is mindful of indirect discrimination and shall not discriminate against any student on the basis of gender, race or religion. Various religions require conformity to a particular dress code or to otherwise outwardly manifest their belief. This may include wearing particular items of clothing; or dressing modestly, e.g. covering their head. Gaelcholáiste Charraig Uí Leighin endeavours to accommodate such requirements where possible. When a pupil elects to wear an additional item of headwear for religious reasons, this must comply with the school colours and should be plain navy. The right to manifest beliefs may be limited only in specific circumstances such as health, safety and the protection of the rights and freedom of others.

3. Roles and Responsibilities

3.1 Parents' Responsibilities

The school is dependent on the support of parents and guardians in implementing this policy. It is neither possible nor practical for the school to operate exceptions to the policy. The school will endeavour to provide replacement school uniform items to pupils presenting out of uniform.

It is the responsibility of each parent/guardian to ensure that:

- a) Your son/daughter wears his/her full and proper school uniform to school, to school related activities and during the state examinations.
- b) Students who have a genuine reason for being out of uniform bring a dated note signed by a parent/guardian to the class teacher before 08:50 on the day in question explaining why full uniform is not being worn.
- c) Every item of their child's uniform is labelled clearly with the child's name with irremovable laundry pen.
- d) Suitable attire is worn on designated 'non-uniform' days.
- e) Frayed cuffs, missing buttons and dropped hems are repaired immediately.

It is strongly recommended that each pupil's initials or surname (as Gaeilge) is embroidered onto the exterior of his/her school jacket. The school's preferred supplier is Mick Murphy and Sons. Menswear, North Main Street, Cork (021 4273464). School jackets should be delivered to the supplier upon purchase, and collected by parents ahead of the commencement of the school year.

3.2 Teachers' Responsibilities

- Teachers shall monitor school uniforms daily. Uniform checks shall take place regularly.

4. Non-compliance with school uniform expectations

- Students will be requested to amend their presentation at school or during school activities, if necessary.
- If a student is wearing non-uniform garments or jewellery, (s)he shall be asked to remove the garment and put it in his/her bag. If there are any further issues, the item will be confiscated.

- Where a pupil is not complying with the uniform regulations sanctions will be applied in keeping with the school’s Pupil Management Policy.
- The school authorities are the arbiters of what constitutes acceptable standards of appearance.

5. Financial Considerations

Where a pupil is not adhering to the school uniform policy, the staff/management of the school shall make enquiries as to why this is the case as there may be a number of valid reasons for it. Where financial circumstances are preventing pupils from wearing the correct uniform, Gaelcholáiste Charraig Uí Leighin will be sensitive to the situation and allow parents/guardians sufficient time to purchase the required items. If necessary, the school will assist with the provision of uniform items. Pupils should not feel uncomfortable or discriminated against because their parents/guardians are unable to provide them with the required items of uniform.
