## **2. Policy Content**

### **2.1. Application to First Year**

- 1) Each year the Board of Management will decide on a closing date for the receipt of applications for the following school year.
- 2) The process of enrolment, including the closing date for the receipt of applications,

will be made public by means of a letter distributed to primary schools, a notice placed in the local newspaper and a notice on the College's website.

- 3) This letter will also be available on Open Day.
- 4) Parents or Guardians seeking to enrol a child in first year in Gaelcholáiste Charraig Uí Leighin are requested to return a completed Enrolment Application Form to the college before the closing date.
- 5) It is a condition of enrolment that the application form be completed in full and be factually correct.
- 6) A provisional offer of places will be made within 21 days of the closing date for receipt of applications.
- 7) Parent(s)/guardian(s) and the child applying for a place must give their consent in writing, to the College's policies. Information regarding links to these policies will be forwarded to parents/guardians with the provisional offer of places and agreement must be signed by the child and by their parent(s)/guardian(s). Parents/guardians are also asked to submit the First-Year book contribution with the acceptance of places. Failure to return signed acceptance of a place and consent to school policies by the date specified on the initial offer may lead to the granting of that college place to another pupil.
- 8) Equality of access is the key value that determines the enrolment of children to Gaelcholáiste Charraig Uí Leighin. No child will be refused admission for reasons that are contrary to the principles outlined in the Education Act 1998, the Education Welfare Act 2000 and the Equal Status Act 2000.
- 9) While recognizing the right of parents to enroll their child in the school of their choice, the Board of Management of Gaelcholáiste Charraig Uí Leighin seeks to balance this right with the rights of the existing school community. In particular, any decisions taken regarding enrolment cannot be prejudicial to the rights of the pupils already enrolled in the college. This requires balanced judgements, which are guided by the principles of natural justice, using fair and transparent procedures.

## 2.2. Registration Criteria

The Board of Management will determine the maximum number of children to be enrolled in first year in any one year, bearing in mind the following criteria (Table 1).

- 2) If selection has to be made within a particular category preference will be given to pupils from homes where Irish is spoken. Applicants and their parents/guardians will be asked to indicate this on the Application Form and may be required to satisfy the Board of the applicant's fluency in Irish if seeking a preference on that basis. Where selection is still necessary within a particular category the remaining available places will be filled by means of a lottery involving all the applications within that category.
- 3) Any applicant not offered a place will then be placed on a waiting list based on that lottery.
- 4) Applicants in all subsequent categories will be placed in order on the waiting list, based on a lottery within each category.
- 5) Applications received after the closing date will be considered only after all applications received before the closing date have been accommodated.
